

Peerless® Handcuff Company

Setting the Standard Since 1914

Model 700C

Chain Link Handcuff

The classic design is new and improved. Our most popular design now features an improved internal lock mechanism for increased tamper resistance, smoother ratcheting action and greater durability. Incorporating spun rivet construction, push pin double lock capability and nickel finish. Two keys supplied. The Model 700C and 750C are all National Institute of Justice 0307.01 certified and come with a lifetime warranty for manufacture defects. Available in the following finishes: nickel, black oxide, red, blue, orange, yellow, and pink.

- Double Locking
- Two Keys Supplied
- Made in USA

All Peerless® products are backed by our lifetime guarantee for manufacture defects, assuring you of the highest quality material and workmanship. When you want restraint devices that you can depend on, you want Peerless®.
